

Taking Brownsea Home

Your "homework" assignment

During your week at **SFBAC-NYLT (Brownsea)**, you were taught many leadership and team-building skills. You can – and should – use each and every one of these skills when you return to your home troop. If you do, you will have a better Scouting experience.

But if you stop using the skills you just learned, they won't help you in scouting or later in life.

Your Brownsea training is not yet done!! **You have to "take Brownsea home" with you.** Here's what you need to do in order to graduate in November. Completion of this assignment entitles you to the Brownsea-NYLT "Trained" strip which is required if you want to apply for SFBAC-NYLT (Brownsea) staff.

1. Develop a VISION for your troop and discuss your VISION with your home Troop Scoutmaster.
2. Based on this VISION, and using the leadership skills learned at **SFBAC-NYLT**, develop a plan consisting of (3) three **SMART (SMART = Specific, Measurable, Attainable, Relevant, Timely)** GOALS
3. Implement your plan and complete these **SMART GOALS**. Upon completion of these GOALS, have your Scoutmaster certify (on the next page) your achievement of these GOALS.

You and your home Troop Scoutmaster can visit our website www.brownsea-nylt.org for some sample GOALS that other Scouts have used.

Complete your GOALS before the third Thursday in November, so that you can attend our Graduation Ceremony. Check our website for the location of this Graduation. You must confirm with your Scoutmaster that he/she has sent an email to the Brownsea-NYLT Course Director at: info@brownsea-nylt.org to certify that you have completed your GOALS.

If you complete your GOALS after November, just have your Scoutmaster send an email to the Brownsea Course Director and we will mail your "Trained" strip to your Scoutmaster for him/her to present to you.
